S. R 51 of 99-1900

Submitted, for Secretary

The sum of Rs 1645-3-10 recommended to be written off the accounts is made up of $\frac{2}{3}$ of the tree tax (Rs 637-8) and the actual balance of shop rent remaining still unpaid viz Rs 1007-11-10, and consequently the Excise Commr's statement that the amount is $\frac{2}{3}$ of tree tax + the shop rent for 3 months & 4 days is rather misleading. The papers submitted for orders.

The Secretary to Government of Mysore
General and Revenue Department

Sir,

In submitting herewith, copy of the marginally noted correspondence, together with a re-mission Statement for Rs 1645-3- duly verified by the Comptr in favour of Oblegowda Lo duly Vera Farmer of the Hariharana Firka of the Hiriyur Ta for the yea 1898-99,

1. Letter No 30, dated 24th July 1899, from the Deputy Commissioner, Chitaldrug District.
2. Docket No 107, dated 26th August 1899, from the Assistant Excise Commissioner, Chitaldrug division.
3. Docket No 159, dated 8th December 1899, from the Deputy Commissioner, Chitaldrug District.
4. Docket No 3630/83, dated 18th December 1899, to the Deputy Commissioner, Chitaldrug District.
5. Docket No 172, dated 20th December 1899, from the Deputy Commissioner, Chitaldrug District.

I have the honor to state that it is clear from the reports of both the Deputy Commissioners of the Chitaldrug Districts and the Divisional Officer of the Excise Department, that the Toddy Shop at Harihanavi was ordered to be closed by Government authorities on account of the out-break of Cholera, and that it was accordingly kept closed from 28th November 1898 to 1st March 1899, both days inclusive. I beg to recommend therefore that the Sum of Rs 1625-3-10 as per the accompanying Remission Statement being the rent and the 2nd instalment of Tree-Tax due by the licensee of the shop (for three months and four days), during which period the shop was kept closed as ordered by Government Authorities, on account of Cholera, may be ordered to be written off the accounts.

To

Bangalore

Sir,

I have the honor to forward herewith the Vernacular Correspondence ending with Hiriyur Taluk Amildar's No 18, dated 13th instant, together with a remission statement for Rs 1645-3-10 in favour of one Obleyowda, Toddy Renter farmer of the Harikaravi Tirka of the Hiriyur Taluk, for the year 1898-99.

2. The toddy shop at Harikaravi was newly opened on account of the B.P.W. project, on the 21st October 1898, the same having been knocked down at the public auction in favour of the said Obleyowda for a shop rental of Rs 330/- per measem. The shop had been kept open till the 27th November last, when owing to the sudden outbreak of Cholera at the Harikaravi Camp, it was ordered to be closed by the Medical Authorities as the drinking of toddy by the labouring class was believed to

to produce injurious effects and thus accelerate the spread of the epidemic at that time. Almost all the people of the place decamped, and the work was in consequence suspended temporarily. The farmer was permitted to reopen the shop on the 22 March 99, when cholera had fully subsided. It would appear, that the shop had been Completely closed for a period of 3 months and 4 days, the farmer being subjected to much loss thereby.

3. For the supply of toddy to the above said shop, 900 trees were applied for in the month of October 98, and 1/3 of the tree-tax and local cess thereon viz Rs 318-12-- was paid into the treasury at the time of application according to rules. The remaining 2/3rds of the tree-tax and cess on the above 900 trees remain still unpaid. It would be very hard to enforce the payment of the 2nd instalment of tree-tax, as the trees remained untapped from the 27th November 98, there being little or no demand for the toddy drawn from these trees either in the shop or anywhere outside.

4. Under these circumstances, I beg the Excise Commissioner will be pleased as to recommend to Govern-
ment the remission of the amount

of

of Rs 1645-3-10 being the arrears of Shop rent and Tree-tax due from the above said farmer

The Excise Commissioner's No 1089/2221, dated 31st July 1899
7th August

In reply has the honor to report the following, from personal enquiry:-

(1) The toddy shop at Narikanani which was auctioned on 24th September 1898 and which Commenced to work from the 20th October 98. Was closed on 28th November 98, and remained so till 22 march 1899. The shop was ordered and even compelled to be closed by the Mirasdar Lalegs accidents on account of cholera.

(2)

(2) As neither the tapper nor the Vendors were present at the place owing to the prevalence of the Epidemic, no toddy was drawn from the trees, nor was it otherwise disposed of by the Licensee.

(3) During the period that the shop was closed, no toddy was drawn from the trees licensed for it.

(4) The Licensee tapped 900 trees he was licensed from 20th October to 26th November 98. He did not tap the trees from 27th November.

The undersigned is of opinion that even if the toddy shop at Kanitanavi had not been closed by the interference of the Salary authorities, the Licensee of the said shop could not have conducted the sales there, as all the people of the place had fled from thence owing to the severity of the Epidemic.

With reference to the above, has the honor to state that the shop rent

of

of the Nanikamani toddy shop has been inadvertently Calculated from the 20th October 1898 (ie. for 12 days instead of 11 in that month) and entered in the accounts, there showing an excess of Rs 10-10-3 under demand for the year 1898-99, as pointed out in the docket above. The assessment recommended for remission Could not in consequence be reduced, as it would differ from that shown in the accounts. The undersigned therefore requests that the whole amount of Arrears including the excess may be kindly recommended to Government for remission.

2. The Vernacular papers are herewith returned.
